Chapter 0 - Bella Finally Gets Revenge

2

0 - Bella Finally Gets Revenge

*Character based on Zoe Parker

Zoe awakes, finding herself in a bright pink room. The adorable, curvy teen looks around at all the princessesque dolls, clothing, and regal furniture as the pale, freckled blonde also sees she is wearing a frilly pink dress with a puffy skirt that ended above her knees. With long pink stockings on that rode up her meaty thighs and lined with little pink bows, the confused cutie also discovers that her hands are tied in front of her with rope at the wrists. Sitting on a queen sized bed, Zoe glances back and sees that the backboard to the soft pink bed was an expensive mirror. Gasping as she saw her blonde hair in twin pigtails held in place by big cute pink bows, Zoe likewise gasps when she sees her small A-cups are pushed up high to form a modest cleavage by the low cut and elegant pink blouse she wore, her pink nipples barely hidden from sight.

The petite Zoe then saw in the mirror's reflection someone she knew very well walk into the room.

Turning around, she contemptibly stares at the equally cute, although much bustier and taller, redhead teen, pale as a ghost and wearing an all-black dress with a very short skirt. None other then Bella, the weird goth girl she constantly teased, Zoe hadn’t seen the strange girl since graduating from high school several months back. Remembering the constant joy she got out of berating the busty redhead for four years, Bella never said anything to defend herself, and only smiled back in response; more than once making Zoe blush at the intense gaze she gave back. Regardless, Zoe knew she had made Bella's life hell. Now the redhead locks eyes once more with her tormentor whom she had dressed lovingly as a pretty princess. Bella smirks and picks up an elegant horsehair brush, the adorable blonde, her freckled checks turning red in anger at being ignored, lashes out at the busty redheaded goth.

“What the hell do you think you are doing freak! You are seriously fucked when I get out of here!” Zoe yells, but like always Bella says nothing to defend herself, instead walking right up to the simmering, pouting blonde, brush in hand.

“Are you even listening to me?!” Zoe shouts before yelling “Hey!” in a confused voice as Bella gets onto the bed with the dainty blonde and, without saying a word, starts to carefully brush the petite, curvy girl's large, lush pigtails.

“Stop it!” Zoe demands, blushing and squirming as the soft teen tries to pull away, only to have Bella reach around and grab her by the chest before continuing to brush, Bella’s hand lying right on top of one of the blonde’s teeny little tits.

“Let go of me! What are you doing?!” Zoe cries in exasperation, Bella ignoring her and continuing to brush her long blonde pigtails for a minute each before adjusting the large pink bows on Zoe’s cute head until they were perfect. Letting the teen go, who takes the opportunity to stand up with an angry face, Bella admires Zoe’s perfectly straight hair which hangs down to the blushing, angry girl's chin on either side of her face. Bella then

calmly places the brush back before tuning and, seeing the stern face from Zoe, simply smiles happily, making Zoe blush and look down in embarrassment.

“Bella you’re being weird like always!” Zoe stammers nervously as Bella, a whole foot taller, walks up to the blonde and lifts her face so Zoe's bright blue eyes are gazing into Bella's.

“Why, why are you looking at me like that?” Zoe softly asks, her face flustered as Bella stares into her eyes intensely, her smile growing wider and warmer.

“What are you some kind of pervert?” Zoe barks, only to gulp loudly as she saw a look of absolute love come across Bella’s face moments before the pale redhead places a hand behind the blonde’s head and pulls her in close, Bella biting her lip and moaning before she gave Zoe a long, passionate kiss. Zoe moans loudly in protest as Bella works her pierced tongue into every nook and cranny of the blonde's mouth, diving down to the back of Zoe’s slender throat with her long organ, making Zoe gag while the redhead moans passionately. Pulling away slowly, Bella makes the blonde yelp as she gives Zoe’s upper lip a rough bite before growling sensually.

Not done dotting the teen with love, Bella licks Zoe’s face slowly from bottom to top on both sides of her face, the upset cutie feeling the cold metal of Bella’s piercing rub against her face.

"Oh my god you really are a pervert!" Zoe gasps as Bella gently bites her earlobe and whispers, “Yes I am, and you are now my pretty pink princess”.

"Wh-wh-what?!" Zoe yelps in confused shock before being pushed roughly onto her round soft rump as Bella reaches underneath her own short black skirt and slowly pulls off her black, wet underwear, all the while without breaking eye contact with the stunned teen.

"Keep your panties on! Stay away! I'm not your princess! I hate you you goth freak!" Zoe pouts, gasping loudly as her little cleavage is stuffed with Bella's wet panties.

“Gross! Take it out!" She pleas as Bella rolls down one of the curvy girl's stockings to the knee, "No stop! What are you doing?!” Zoe whined as Bella sat on the blonde’s meaty thigh, giving Zoe a loving kiss on the cheek before starting to grind her hot, wet slit against Zoe’s soft flesh.

“You fucking freak! You perverted sicko! Get off me now!” Zoe barks in a shaky voice, Bella responding by hugging the squirming, elegantly dressed beauty tightly, running her hands all across Zoe's trembling back while the redhead's large breasts push against Zoe’s tiny freckled, and low cut chest, the helpless teen able to feel the metal piercings of Bella’s hard nipples press into her. Kissing Zoe all over her blushing face no matter how hard the pouting blonde tried to avoid them, Bella moans in passion as she worked her box from Zoe’s knee all the way up her soft thigh, Zoe realizing that she herself has no undies on as she could feel Bella’s slender thigh pushing roughly into her own unguarded, tight pussy; the fluffy pink skirt doing nothing to limit Bella’s long, aggressive strokes. Panting and breathing heavily against Zoe’s face, neck, and ears, Bella purrs in a slutty moan.

“I’ve always secretly loved it when you talked dirty to me like I'm a slut, but now its my turn to be in power, and your turn to be the slut."

Letting go of the teen in order to place her hands on top of Zoe’s small shoulders, the redhead stands up to grind her dripping pussy harder into Zoe's meaty thigh. With her huge cleavage in Zoe’s face, Bella groans lovingly as she steadily nears orgasm. Unable to do anything but blush and whine, Zoe

whines as she feels her thick thigh grow soaked with Bella’s juices, the redheaded teen’s pierced cunt digging deeply and painfully into her soft flesh, Bella's horny moans growing higher and higher in pitch.

“Stop it Bella! Please!” Zoe begs, her cries muffled partly by the huge knockers shoved in her face,

“Stop you weird, big breasted, pierced perverted freak!”

“Oh yeah Zoe, tell me what a naughty girl I am!” Bella passionately groans out as she pants loudly,

“I’m about to cum! I’m going to cum right on you Zoe! OOOoohhhhh-Ohhh-AWWwwwhhhhh Yes! <3!”

Bella happily cries out as she drenches Zoe’s thigh, the blonde bawling in pathetic protests. Bella grinds slowly and strongly a few more times as she came over multiple orgasms, always slamming tightly against Zoe's pussy until the poor blonde felt herself get a little wet as Bella constantly worked all the way up and down the blonde’s meaty white flesh, digging her pierced cunt into her skin before slamming hard into the teen's pussy in order to cum on her.

“I’m covered in your cum you, you-“ Zoe stammers before Bella finishes her sentence by lovingly purring, “Freak”, her face having a wide, satisfied grin. Getting off the blushing, upset blonde, Bella uses her teeth to pull her black panties from Zoe’s cleavage, now also soaked with the blonde's sweat.

"Let me dry off." Bella coos as she runs the little scrap of black cloth between her slit and ass crack before holding the soaked cloth in Zoe's face, "I'm still all wet, and so are you...I guess I need a towel”, Bella smiles. Licking her lips as she pulls a pink hand towel from her pocket. Drying herself off before lifting Zoe’s frilly skirt and, despite the blushing cutie's protests, drying the blonde off. Bella makes sure to also wipe Zoe's wet pussy, the redhead biting her lip as she ran a finger through the towel harshly into Zoe's slit as the blonde moaned weakly.

“My, I really came all over you didn’t I my little pretty princess?” Bella innocently asks while holding up the dripping pink towel before wrapping her soaked panties around it, “Now, I’m not even close to being done with you or that fat, round, perfect little ass of yours, and for this next part, you are going to want a gag so you don’t bite your slutty little tongue off.” Bella says smiling widely, picking up a roll of bright pink duct tape from the counter and approaching the blonde with both in hand, “Open up wide princess!” Bella sweetly orders, Zoe crawling away desperately on her belly closer to the mirror, only to have Bella go 'tsk tsk' and sit on her back as the

humiliated blonde pleads for forgiveness, the pig-tailed teen now looking at her adorable reflection in the large mirror.

“Please Bella! I’m sorry I was mean to you! Let me go! I don’t want to be your princess!” The bully screams as the brat who so teased and tormented Bella begs for mercy, only to be meet with a chilling laugh from the dominating redhead.

“That’s just too bad Zoe, but you can’t be such a tease for so long and not expect to be fucked, and did you ever tease me. That juicy ass of yours always drove me wild. You know how long I wanted to totally destroy it? Just like you destroyed me, I promise I will destroy that cute little pink pooper of yours until its a crater of its former tight little self, but don't worry,” Bella innocently assures Zoe while playing with the fat bottomed teen's pigtails, "You will learn to love getting plowed in the ass, over and over, and over, and over. You will quickly lose track."

“No please st-MMGghh!” Zoe bawls before having her mouth stuffed with the cum covered towel and pantie combo, followed quickly by two strips of pink duct tape across her mouth, forming a little X. Zoe

gags several times on Bella's underwear and towel, her tongue tasting a mixture of salty sweat, sweet spunk, and her own spit as her mouth fills and, having no choice, swallows, a large bulge sliding down her throat to Bella's delight.

"You look so cute! I always hated how much attention you got just because you pretended to be sweet, but now I will give you all the attention you will ever need my little princess." Bella laughs, making the blonde cry upon ripping her pink blouse off her tiny body. Putting Zoe in a full nelson, Bella enjoys holding the squirming teen, the helpless girl's bound hands out in front of her as she was able to see her small breasts reflected back at her. Bella, unable to control her desire, bites Zoe's neck hard, drawing blood and making Zoe cry out as the redheaded goth licks the blood up greedily, "Ops! I guess I'm too rough with my cute little love doll." Bella sweetly whispers kissing Zoe all over her neck before using her hand to twist and pull the curvy blonde's small nipples.

"You're boobs are so tiny, and you're nipples are so pink!" Bella laughs as she harshly twists and pulls Zoe's tits, tears falling from the blonde's eyes as she whines shrilly, the teen's nipples swelling from the abuse.

"I want to see them get nice and swollen, just like your ass is about to be." Bella growls like an animal before biting the teen on the other side of her neck, lapping her blood up and laughing, "You taste just like a slut! Remember telling me that when you dumped animal jizz on my head after pretending to crown me Prom Queen? And to think I loved the movie *Carrie* until then!" Bella laughs as the small chested blonde's nipples became swollen and red from the constant tugging, Bella flicking them hard for several seconds before she gave each of them one last pull, all the while Zoe moans unhappily. Placing her hands on both sides of Zoe's face with a hiss, she whispers sadistically, "I think that is enough of the gentle foreplay my little princess.", licking the blonde one last time before she slams Zoe back down onto the bed.

Sitting backwards on Zoe's head with no panties on, Bella purrs happily like a cat while she painfully digs her nails into Zoe's pale back. The tiny teen sobs as her back is tore up like a scratching post, long red marks soon covering her entire back. Sobbing as she sees her blushing reflection in the mirror with Bella sat on her head, her pigtails hurt greatly as they were twisted, shoved, and roughly moved around as Bella rubbed her wet groin all over the blonde's head, Bella's cum and juices running down the cutie's face and hair.

When Bella starts unzipping the blonde's skirt, Zoe responds with high pitched cries as the redhead removes the kicking and thrashing girl's skirt who now only has the long, pink thigh-high stockings on, her incredibly fat, juicy, and barely legal booty shimmering with beads of sweat, “I don’t like beating around the bush, so I’m going to let you know now my sweet little princess." Bella says practically drooling, "I’m going to fist fuck your ass, hard. Very, hard. Extremely hard in fact. And I'm going to do it until you cum, so if I was you, I would relax and accept what happens next.” Bella coolly whispers as she stares entranced by Zoe’s fat and squishy ass, whose virgin anus was hiding between round, freckled pale cheeks, the blonde's perfect little shaved slit barely visible between her thick, fleshy thighs.

"Lets get started." Bella coos, wasting no time as she licks her index finger and runs it lovingly between Zoe’s deep ass crack, "Your ass is really incredible! Mine is so tiny!" Bella gently says to the panicked, shame filled cries of Zoe, "It's like Christmas morning! So perfect and sweet!" Bella giggles before slapping Zoe harshly on the buttocks, "But you've been a very naughty girl haven't you? You need a

spanking!" Cracking her fingers, Bella unleashes a frenzy of hard slaps on the blonde's meaty, jiggling bottom, the loud, numerous slaps making the helpless blonde yelp and whine as her soft pale cheeks, both on her face and ass, became dark red, albeit for very different reasons. Spanking Zoe until she was sobbing, Bella squeezes the teen's succulent buns, filling her hands with soft, warm flesh.

"There! Now it is time for Santa to come down your chimney!" Bella announced, giving Zoe's meaty ass one last, harsh squeeze before running her finger between Zoe's squishy cheeks. Finding her tight, pink, virgin hole, Bella licks her lips while slowly rubbing Zoe's anus gently in circles, the blonde vocally protesting with shrill whines.

“My you don’t listen well do you? You still haven't accepted your position now have you my little princess?” Bella coos before laughing as she pressed her finger hard against Zoe’s virgin pink hole, who moans loudly, "That's okay, you will learn soon enough," Bella confidently proclaims as the curvy blonde's body goes tense as she clenches her hole tightly. But Bella was not giving up, and the redhead grinned widely when she heard a loud, "NNnuuuhhh.....OOooOOoohhhh!" come out of her helpless victim while slipping into Zoe, “There’s one finger.” Bella growled as she slowly fingered Zoe’s tight ass, “I really can't wait, so here comes another!”

“MMMmmgghhhh!!!” Zoe bawls, her legs thrashing wildly as Bella slowly forces another finger through the teen’s tight anal ring.

“I wonder how long it will take to make you cum?!” Bella askes while fingerbanging the helpless blonde beauty, Zoe at this point sobbing and groaning endlessly as Bella worked her up closer to orgasm.

“MMMmnnn! MMmmhhh! MMMMHHhhh!!!” Zoe wails as Bella was by now diving in and out of the blonde’s anus, spreading her fingers into a peace sign whenever she pulled out, puckering Zoe’s tight anus until it was tremendously sore. After a few minutes of this, Zoe was at her limit, the wailing teen’s body twitching and going tense as she came strongly onto the bed after a particularly widespread pop of her ass, Bella likewise cumming on top of Zoe's head.

“Oh I knew you were a little freak like me! <3!” Bella happily proclaims as Zoe, still shivering from orgasm, breathes rapidly in and out and, groaning endlessly in anger as Bella's sticky sweet cum ran down her face, hair, and neck. Zoe then groans deeply, thrashing and bawling as she felt her fat buns pulled apart, “Look at how slutty your asshole is!” Bella exclaims as Zoe’s puckered asshole throbs, winking many times before going tense when the sadistic girl spat onto her popped pooper, "Let's take a picture of your progress, I already have countless ones of you in your princess dress already, as well as of your unsullied butt, you were really out for a while before waking up!" Bella giggles as she held Zoe's ass apart with one hand and snapped a photo with the other, "I can't wait to see just how wrecked your ass will become!" The dominating teen says before letting go of Zoe’s squishy, firm cheeks, giggling as the soft flesh bounces and jiggles back into place.

“Your ass is so perfect! I think it is time we took your butt pounding to the next level.” Bella laughs, licking her fingers, “Now, everything up until now was just an appetizer,” Bella warns as she closed her wet hand into a fist that was two inches all around, “Here comes the main course. Enjoy! <3” Bella lovingly says as Zoe cries shrilly in protes,t the sore teen screaming frantically into her gag as her cheeks spread wide around Bella’s fist pressing hard into her aching hole.

“Ready or not Zoe, here I come!” Bella purrs as she pushes with all her might against Zoe’s clenched, sore anus. The teen shrieks and bawls into her underwear gag as Bella’s persistence, after a few intense moments that even makes Bella go red in the face, literally forces Zoe’s reluctant pink anus to slowly begin stretching around Bella's fist.

“Say goodbye to having a working asshole Zoe! And remember that you are going to take it until you cum.” Bella cruelly reminds the shaking teen as Zoe took a deep breath, her hole slowly stretching millimeter by millimeter before, losing all her strength from such constant clenching, Zoe lets out a massively shrill scream as her pink anus is forced in a split-second to swallow Bella’s closed fist with a loud slurp. Bella rides Zoe like a broncing bull, the blonde violently thrashing and screaming repeatedly, her broken anus on fire and swelling up quickly. Bella, her fist lost between Zoe’s round ass, simply laughs as the pig-tailed teen spent over a minute kicking and shrieking non-stop before finally tiring herself out. The blonde whimpers weakly as Bella opened her hand inside of her anal cavity before closing it back into a fist.

“Now the fun really begins!” Bella exclaims as she pulls her closed fist upward, Zoe once again kicking and crying as her still tight hole clings to Bella’s wrist, her sore pooper pulling out about two inches from her quivering body before the redhead frees her fist to the agonizing wails of Zoe, her pooper turning inside out, farting strongly, and finally retreading back into hiding between the blonde's deep ass crack.

In agony and completely broken, Zoe sobs as she feels Bella pull apart her sweaty cheeks to reveal a swollen, gaping anus which winked repeatedly before being forced to prolapse in another strained, painful fart, thereafter her broken button settling into a puffy red anus with a much larger, much darker anal ring.

“You should really see how busted your ass is. Now get onto your knees my petite little princess, I need a better angle if I am going to make you cum.” Bella commands, Zoe, knowing Bella wasn’t joking, and wanting her torture to be over quickly, complies and gets onto her knees, her bound hands lying about two feet underneath her raised, sweaty ass; her tight slit a stark contrast in comparison to her slutty, sore, and fat backdoor, which was still quite open.

“What a good girl.” Bella exclaims as she puts a hand on Zoe’s neck, pressing her other hand with a closed fist to the blonde’s miserable hole, “I’ll try to make it quick! Promise. <3!”, Bella smiles as she, without mercy, begins fighting to stuff her fist back down into Zoe’s anus. The blonde curls

her toes, kicks her feet, and sobs as Bella pushes hard for a few seconds, Zoe’s anus letting out a wet long slurp before the sound of the blonde’s pained yelp indicates that Bella had slid into her anal cavity. Zoe wails and curls her toes, taking a deep breath and wincing her face as she tried to get use to having a fist stuffed up her once tight rump. Moaning in agony, the blonde can feel her butthole getting pulled farther and farther away from her body as Bella pulls out, Zoe's agony ending when the redhead's fist loudly pops free. Zoe lets out several deep, guttural groans as her gaping hole turns inside out after Bella had pulled out from her pale, freckled ass. Treating the quivering, until recently, virgin teen as if she was an extreme anal slut, the redhead feels no sympathy for her sobbing, former tormentor, the busty vixen finally living out a fantasy she has been masturbating to for years.

“How does that feel Zoe? Do you feel what I felt when you treated me like shit all those years?!” Bella asks the broken, sobbing teen, her fat swollen hole knowing only a second of rest before being pressed into again by the redhead’s closed fist, “I promise that you will now spend many years making that up to me, I doubt you will ever walk straight again.”

Her anus being steadily spread back open, Zoe points her clenched ass downward toward the bed in response to the redhead’s upward thrust, the blonde wailing as her broken anus swallows Bella’s fist in a loud slurp, her body lurching up half a foot before falling back down on to the bed.

“Time to see how deep we can go.” Bella excitedly whispers into Zoe’s ear, “Take a deep breath, and we will both find out. Go on, breathe deeply, I can wait with my hand up your ass all day.” Bella commands, Zoe sniffling before she exhales and, taking a deep breath, winces her face while letting out several loud grunts and moans as, in a sporadic, uneven pace, Bella forces her fist two inches deeper until half of her arm below the elbow is inside of the flailing blonde's rectum.

“Not bad, I’ll do my best to go as deep as I can each time, I promise.” Bella sadistically purrs into the sobbing blonde's ear before pulling her fist out, Zoe’s thick anus once again clinging and being pulled far from her body, gaping massively when freed from Bella's fist. Her gaping ass was prolapsing so strongly that her rectum now had three red rings inside of it

that took a few moments of scream filled cries before it would return back to just one thick, gaping hole. Zoe's heart by now was racing, and the teen breathes rapidly through her nose, only having a moments rest before her pillowy ass was once again forced wide around Bella’s fist as it slurped back up Zoe's fat, raised ass. With her arm nearly elbow deep in the cute, thoroughly reamed teen’s rump, Bella leans over Zoe.

“If I was you, I would use my hands to make me cum, I know you can reach that tight slit of yours.”

Blushing but wanting nothing more than for her butt to be free, Zoe meekly reaches her bound hands up and starts rubbing her little clit.

“There you go, now I promise I’ll stop when you cum, and don’t fake it, I’ll know.” Bella says, licking the teen’s face before getting back into position, her free hand now on top of Zoe’s meaty ass while she pulled out of the blonde with a weak pop. Zoe, her hole winking and loose, starts to grow horny after a few minutes of playing with herself while she still yelps, shrieks, cries, bawls, and wails as Bella, faced with an increasingly loose, gaping excuse for an asshole, is able to quickly ram in and out of Zoe before her pathetic pooper can even wink. It takes nearly five minutes to get aroused, and by then Bella is going nearly elbow deep into the broken teen.

Zoe's extremely loud shrieks and screams of misery are punctuated with the occasional cry of pleasure, her tortured rectum finally, after taking numerous, rapid thrust, able to cum after having Bella shove herself elbow deep into the blonde's ruined ass. The girl’s exhausted face blushes before wincing and, sobbing in shame, the blonde groans in orgasm as Bella pulls out slowly to the sound of a small, weak pop, followed by numerous farts. The blonde teen still cumming and moaning passionately in blissful embarrassment, Zoe drops her hands from her slit and falls to her side, curling her sweaty body in tight as her anus, gaping at two inches wide and with a dark anal ring, begins the slow process of closing back up. Over and over Zoe prolapses, her body in the fetal position as her anus is a red gaping mess, Zoe finally finishes cumming after thirty seconds.

Bella, however, still needs to cum, and forcing the sobbing teen onto her back, sits down onto Zoe's face and, after a few quick grinds, her slit using

Zoe's nose to stimulate her, loudly and explosively cums onto the cutie, Zoe kicking and flailing as Bella cums multiple times with loud, happy "OOOOOhhhhhhhs!".

Getting off of her princess, Bella smiles lovingly at the drenched, humiliated teen before taking several

photos of the exhausted blonde's soaked, red, freckled face. Bella then flips Zoe onto her back as the teen's hugely swollen hole pokes through her pale, cum coated cheeks. Bella snaps a few more pictures before putting the camera down and placing Zoe into a full nelson.

"Who came like a fucking little whore? *Growl! <3* My little princess did didn't she?" Bella whispers between her savage bites and pierced tongue's lashes and licks. Giving Zoe several hickies on her neck, the redhead then forces Zoe onto her back so she can lick Zoe's sobbing, yet flustered face.

"You like being my ass slut don't you bitch?" Bella, her animal instincts in full swing, purrs as she licks Zoe's tears from her wide blue eyes, "Oh my, your tears are both salty and sweet! They taste like revenge."

Done with the blonde's face, Bella works down to her little breasts, biting the blonde's already sore nipples lovingly, twisting them between her teeth before sucking on them hard.

"You like being used like this don't you whore?" Bella asks as she sits on Zoe with her hands on her shoulders, the blonde shaking her head 'no' before getting slapped hard across the face.

"Wrong answer! You must want me to fist your gaping ass again, this time without letting you stimulate yourself!" Bella screams, slapping the crying blonde harshly across the other cheek before leaning in close to Zoe's freckled face to give it several licks and bites before whispering, "You like being my princess, my ass slave, my little doll to dress and fuck as I please don't you?" Zoe quickly and nervously shaking her head up and down. Smiling happily, the redheaded teen purrs and laughs, "That's right, and don't you ever fucking forget it." Bella warns as she gets off of Zoe, who curls back into a ball as her anus still throbs and winks incessantly, "Get

some sleep my princess, and be sure you have a can do attitude when I get back." Bella orders, "Because I can do whatever I want to you. Understand? Am I absolutely 100% clear?" Groaning in acknowledgement, Zoe is pulled up from the bed and hugged strongly by her new master, "That's right. Now get some rest, I want to play with that ass of yours more.

That's okay right?" Bella asks, Zoe weakly groaning yes before Bella forces the curvy blonde to look the pale goth in the eyes, "You want me to play with your ass when I get back don't you?" Bella sweetly asks, Zoe trying to look away before being yanked hard on her pigtails, "Look at me you slut, you stupid whore!" Bella screams, "Look in my eyes, just like I looked at you all those years, and tell me with them that you want to be my anal slave." She orders as Zoe cries, "Stop crying!" Bella barks, Zoe taking deep breathes as she stops crying and looks Bella meekly in her piercing eyes, "Now tell me you want me to fuck you in the ass, fuck you until you can't walk. You want me to ruin you because you love being a stupid slut. Say it with your eyes." Bella commands, Zoe, taking a few moments to compose herself, locks her blue eyes with Bella's and gives the redhead 'fuck me eyes', Bella kissing Zoe once again before calmly speaking, "That's better. Now I'll be back later, get some rest and remember, I can do anything I want to my doll. I can love them or I can hurt them, either way turns me on."

Finished with her play thing for now, Bella promises to come back later, leaving Zoe to recover as the blonde falls on the bed and curls up in a ball, the incredibly sore teen sleeping for twelve hours before being awoken by Bella, camera in hand.

“Bend over princess. I want to get a picture of that slutty hole of yours." Nodding in reply, her adorable face still stinking of jizz, Zoe sits her fat ass onto her feet with her bound hands between them and leans forward, Bella taking several pictures of the teen's puffy fat anus which had a dark thick anal ring

surrounding it.

“Hold still now my princess!” Bella says happily as she presses a closed fist against Zoe’s anus, the blonde yelping and groaning in pained pleasure as

her loose hole is forced open with relative ease,

“Very good!” Bella exclaims with satisfaction, "You like my fist in your big round ass?" Groaning in approval, Zoe blushes when Bella pulls out of the blonde, letting out an embarrassed whorish moan as her hole winked a few times before returning to a puffy, swollen button.

“I think you are ready for the ‘Decimator’.” Bella says as she leaves the room and comes back with a three-inch-wide, foot-long dildo attached to a powerful machine, “I have to go out for a few days, this will train you more.” She told the protesting blonde, who shook her head ‘No!’ and tried to crawl away, easily stopped as Bella pulled the teen off the bed, leaned her small chest against said bed, and tied her to it so only her upper body was on the bed, her ass and feet off of it. Due to the bed being shorter than the girl, her knees bent out and pointed to either side of her body, her knees bending at a roughly 90

degree angle.

“I'll pretend I didn't see you try to run away. This expensive machine will precisely work you up into orgasm, though I expect it will take a while for even a slut like you to cum the first couple dozen times.

And don’t worry about food. The cum it will violently cram pack into your ass is probably healthier than what you normally eat! And you will get four whole hours for sleep every day, use them wisely.” Bella purrs as she lines the massive three-inch-wide behemoth with Zoe’s likewise massive backdoor.

“NNNnmmmmm!!! NNNNnnmmmmm!!!” Zoe cries out as Bella sets up a tripod to the side of her.

“I don’t want to miss any action when I get back.” She says smiling, before walking behind the wailing blonde and turned on the machine, which spoke out loud with a robotic voice,

“Decimator Mark Ten Online, Brought to You By Apple, Now Ready To Work.”

“Initiate Program 666!” Bella says happily before frowning upon the machine’s robotic response.

“Have You Fully Consulted the Manuel?” The machine asked.

“Sure! Just get do it already!” Bella said impatiently as Zoe looked at her with a confused, every slightly hopefully glance.

“There is a New Apple Update, Would You Like to Update Now, Later, Or Remind Me Tomorrow?:

“Later god damn it!” Bella shouted before turning to Zoe, “Even though Apple is great at fucking you in the ass normally, when they make a machine to do it they somehow fuck that up.”

“Okay Please Enter Your Apple ID and Password.”

“Jesus Christ, Sign in as Guest!” Bella barked back.

“Okay Signed in as Guest.”

“Finally.” Bella sighs.

“Have You Fully Consulted the Manuel?”

“I SWEAR TO GOD I AM GOING TO FUCKING MURDER YOU MACHINE!” Bella screams in rage.

“Okay, Take A Chill Pill. Initiating Sequence 666, Full Anal Annihilation.”

“Now like I said Zoe, I will be back in a few days. Have fun!” Bella smiles, lovingly petting the bound girl and giving her a kiss before leaving the wailing blonde to beg for mercy until grunting as the huge dildo presses into her, Zoe shaking before moaning in pain as her loose ass swallowed the massive dildo in a few minutes, but only after stretching her even wider than before, and making the blonde princess sob in agony as the machine wasted no time exploring her ass as it, in one slow, long motion, bottomed out in the flailing, bend over teen over the course of a minute. Bawling and

quivering in misery, Zoe’s tight slit grows wet when it pulls slowly out of her, leaving her anus to gape wide before it shoves itself back in.

Now all alone with the machine, Zoe looks at herself in the mirror, blushing as after a half hour of agony the babe is near orgasm. Picking up the pace considerably, the Decimator slams in and out of the cutie’s fat booty, finally making her cum after a few minutes of particularly brutal pounding, filling her anal cavity with a thick, bubbling hot goop.

“OOOOhhhhhhhh…” She moans as the dildo pulls out and leaves her ass gaping massively, her anus acting like a bubble wand, causing large bubbles to form and burst over her backside until the thick jizz poured out of her reamed ass like lava from a volcano, the thick cum often exploding out in spurts during wet, painful farts. With hot steaming cum sliding down her slit and meaty, knocking thighs, the machine's cum combines with her own juices and sweat, which flowed down a drainage pipe installed for the very purpose.

Giving her less than a minute to rest, Zoe yelps again as, unknown to her, the cum it so lovingly blasted into her is both an aphrodisiac and pain enhancer rolled into one. Quickly slamming into and out of her round booty, Zoe cries in pain, groans in pleasure, and cums, after twenty minutes, her hole stretched miserably and, after a minute of rest, is quickly stuffed. Hundreds of times the petite teen was forced to come like a slut. After enduring over two days of non-stop anal rape, Zoe's mind has grown blank, the fat bottomed girl addicted to the cum that is continually being blasted into her. Entering the room, Bella happily smiles as she sees her princess cumming strongly.

“Machine off!” She barks, as it cums one last time into the now inflated, bloated teen, cum having long been shooting out of her nose and mouth, having forced the tape to peel off her mouth. Bella’s black panties and pink hand towel that were once in Zoe’s mouth lay in front of the blonde, completely drenched in thick cum, the bed likewise painted white with jizz. Pulling the machine away, Bella shines a flashlight down the drooling, cum coated cavern that is Zoe’s plumb backside. Gaping at three inches wide as far as Bella could see, Zoe has a slutty anal ring that is puffy, shiny, and an

inch thick, the teen currently letting out slutty passionate moans, along with occasionally throwing up and farting out voluminous loads of cum.

“Zoe, it’s me, Bella.” The redhead whispers into the blonde’s ear, “I’ll give you a day to rest, but then it’s back to extreme ass play.”

“OOOohhhhh, please Bella. My ass, it hurts so much. I think its broken but, but, but I still want to be fucked.” Zoe whined as Bella brushed her pigtails and assured her that, “I’ll give you a shower in a bit, dress you, and in a week Iwill give you a proper pounding but until then, hang loose.”

With her backdoor still sputtering out cum in a virtual river, Zoe whines in protest, "Why not now?! I *need* to be fucked!."

"You didn't think I don't remember your defiance to the machine. You should be happy I don't spank your ass until it bleeds." Bella tells the moaning girl who keeps cumming strongly whenever she farts too hard.

"I'll give you a week to remember how much you really love me." Bella laughs as she leaves Zoe to fart and cum repeatedly, the teen now an anal whore.

A week later, after having cleaned up the room and having ignored Zoe’s numerous demands for anal like the sadistic girl she was, Bella is ready to butt fuck the dressed up princess.

“Hello my little princess!” Bella happily says walking into the room, “I’ve got a new toy for you!” The redhead announces, pulling a comically sized set of anal beads, each slightly bigger than a tennis ball.

“Yes yes yes!!!” Zoe happily exclaims, jumping for joy, “You haven’t played with me since coming back master! My butt is aching for you! Can you take off my chastity belt now?”

“Of course! Though you wouldn’t have needed it if you listened to me and didn’t start shoving everything you could find up your ass you little slut.” Bella replies as Zoe, now completely subservient to Bella and addicted to anal, raises her fat butt eagerly in the air and pulls her frilly skirt up,

revealing a metal pair of underwear which the redhead unlocks and removes.

“Please please please! Give it to me already!” Zoe demands as her huge, grossly swollen, inch wide gaping, dark anal ring backdoor trembles, the teen reaching back happily to pull her fat buns aside.

“You are such a good princess, of course you can have your toys!” Bella says with grinning as Zoe happily smiles at her pig-tailed reflection in the mirror, the mirror now decorated in the corners with the numerous pictures Bella had taken of her, charting her progress from proud brat to loyal butt slut princess.

The End.
